Looking for a lender or investor that becomes part of your crew?

As a lender and as an investor, CEI puts millions of dollars into promising businesses just like yours—and we don’t stop there. Our business development advisors lend their expertise, connections, and hands-on support—whatever it takes to make sure you and your business succeed.

If you need financing or advice, CEI can help.

Coastal Enterprises, Inc. (CEI) helps to grow good jobs, environmentally-sustainable enterprises, and shared prosperity in Maine and in rural regions across the country by integrating financing, business and industry expertise, and policy solutions. CEI envisions a world in which communities are economically and environmentally healthy, enabling all people, especially those with low incomes, to reach their full potential.

CEI is an equal opportunity provider.

Our deep Maine roots and passion for rural development give CEI loan officers and business advisors extensive expertise and insight into the unique challenges and opportunities faced by rural entrepreneurs, and the agriculture, food, fishery, aquaculture, and renewable energy sectors. We do more than find funding for livestock, boats and markets—we forge networks, embrace new technologies, advocate for better policies, and celebrate the way these sectors sustain our way of life.
